

WEBVTT

00:10:48.000 --> 00:11:18.000

Hey, Lois, can you hear me?

00:11:55.000 --> 00:11:58.000

Are you still there? Yeah, I was waiting for you. Can you see me?

00:11:58.000 --> 00:12:07.000

Yes, okay, okay. we're gonna do the pledge of aegiance.

00:12:07.000 --> 00:12:18.000

I don't remember how to call it to order do you Ruby. If not, i'll go get my page number one page from the last meeting.

00:12:18.000 --> 00:12:21.000

I believe we can just say that you can call the order of 5 0.

00:12:21.000 --> 00:12:29.000

6 Pm. ad hoc committee for interview and hiring process. Okay, perfect.

00:12:29.000 --> 00:12:38.000

You've got it, girl

00:12:38.000 --> 00:12:41.000

And then we can go ahead and stand for the pledge of allegiance.

00:12:41.000 --> 00:12:52.000

Alright perfect. Hi congratulations United States of America, and to the public for which it stands.

00:12:52.000 --> 00:12:56.000

One nation under God, indivisible with liberty and justice.

00:12:56.000 --> 00:13:04.000

Charles. Okay, I'm gonna take you off my phone Now

00:13:04.000 --> 00:13:09.000

Okay, Okay, Can you hear me? Good you can see me everything's good?

00:13:09.000 --> 00:13:20.000

I can't even see my yeah I can't even see the houses around me.

00:13:20.000 --> 00:13:37.000

Oh, my goodness, yeah, If you look out from where you're at you'll probably be able to see it coming look towards Edwards it's behind my house i'd have to when you when you go back at take a look cause it's

00:13:37.000 --> 00:13:42.000

rolling in pretty neat it's pretty fine goodness yes, so I was waiting to talk to you because it looks like we were.

00:13:42.000 --> 00:13:51.000

Gonna we were I was hoping we'd be able to hire the lady who said that's the email that looks like she has now, instead backed out of that right?

00:13:51.000 --> 00:13:58.000

So we don't actually have a person but do we agree that we need a human relations.

00:13:58.000 --> 00:14:07.000

Only because legally, from a legal technical point point of view.

00:14:07.000 --> 00:14:16.000

We just wanna be sure right we wanna be sure that we're asking my questions. We want to make sure that we're outreaching in the right direction.

00:14:16.000 --> 00:14:19.000

So I honestly believe that we need it, if I can.

00:14:19.000 --> 00:14:43.000

Hr: I didn't agree before but I do now because There are too many rules that I don't yeah me neither, and I am afraid that if we even ask the wrong questions we'd be coming on a liability so we just want it

00:14:43.000 --> 00:14:49.000

to be correct, and the only reason why I agree to that is because I do some of the hiring process.

00:14:49.000 --> 00:14:54.000

I do some of the Hr. work over at the school and but we're backed by insurance.

00:14:54.000 --> 00:15:04.000

We have another Hr person, and the questions or everything are all done for us, and then given to us, so that we know we can answer them. or we can ask these questions.

00:15:04.000 --> 00:15:12.000

100%. Do you think she would want to do it for us?

00:15:12.000 --> 00:15:14.000

I can ask her if she wants to do it.

00:15:14.000 --> 00:15:22.000

Kind of a a part time or I mean we don't have anybody right now the

young man.

00:15:22.000 --> 00:15:31.000

But I I looked at that, and I don't see his call up the key meeting our needs.

00:15:31.000 --> 00:15:39.000

Now. maybe we still should talk to him so. Well, I do have.

00:15:39.000 --> 00:15:46.000

We have 3, we together that we're interested in the position we guys, but the thing is is that we still have to interview them.

00:15:46.000 --> 00:15:54.000

And we want to be able to interview them, and are, you know, and go through hiring process legally, which is why I think that we have to have an Hr.

00:15:54.000 --> 00:16:04.000

Person even if it's just for a short term amount of time with the you know, for right now until we can get kind of through it.

00:16:04.000 --> 00:16:12.000

So we have the Tia Bond, but she has now since backed out, so I I honestly feel like we should find another one.

00:16:12.000 --> 00:16:25.000

I agree. so do. we need to put it on the agenda that you can speak with your humans relations, lady after school?

00:16:25.000 --> 00:16:29.000

Yes, I will; and if she is too busy, cause she is a busy, busy person.

00:16:29.000 --> 00:16:46.000

I honestly feel that we should start looking for someone even you know because there's got to be some other people in Palmdo Lancaster may need to hatch a pee who understand human relations back in you know they can do a

00:16:46.000 --> 00:16:52.000

side job or something. So we're gonna definitely look into hiring and A. instead hiring A.

00:16:52.000 --> 00:17:00.000

H. and R. person out right. At least I would hope that the Board would agree, because I I mean I looked at it too.

00:17:00.000 --> 00:17:05.000

And just you have to be careful. you want some of the questions that you're asking now.

00:17:05.000 --> 00:17:13.000

So right do we wanna go ahead and set up? No, we have to wait.

00:17:13.000 --> 00:17:20.000

We have to talk to Robert douglas We can't do anything like that.

00:17:20.000 --> 00:17:26.000

No, we can't do anything with the people who were interested in the position until we have a H.

00:17:26.000 --> 00:17:36.000

And R. right. do you have a resume? Does looks like someone that would fit our needs.

00:17:36.000 --> 00:17:52.000

Let me see, I have 2 in my email. Oh, I see the one from Bob, but it's not hmm

00:17:52.000 --> 00:17:56.000

I have one that is interested. but she is supposed to same here.

00:17:56.000 --> 00:18:01.000

Resume this week, and it looks like she may have some Hr.

00:18:01.000 --> 00:18:11.000

Experience. but I'm not sure on that yet one of them put them in the mail.

00:18:11.000 --> 00:18:21.000

Do you think like temporary agency? Yes, would the maybe fit our needs?

00:18:21.000 --> 00:18:30.000

Because we don't need every day someone so qualified Yes, that's yeah, exactly.

00:18:30.000 --> 00:18:42.000

Yeah, that's a good good point it's like a agency that you know, because they've already done probably the human relations part of it.

00:18:42.000 --> 00:18:54.000

They have, like an army of people waiting for jobs, and the agencies already put them in whatever pocket they belong in.

00:18:54.000 --> 00:19:05.000

With their skills. so I don't think we have a hiring agency in Cal City.

00:19:05.000 --> 00:19:18.000

Do we know? Well, maybe we go to the city of

00:19:18.000 --> 00:19:27.000

Surrounding us Yeah, that's what i'm thinking We're gonna push out 2 more like Lancaster

00:19:27.000 --> 00:19:36.000

I'll get the phone book out. I guess and called the city offices and see what they're hiring.

00:19:36.000 --> 00:19:42.000

Let's see if they can give us some names

00:19:42.000 --> 00:19:50.000

Phone book is not the right thing it's Google now isn't it i'm actually on there right now i'm like

00:19:50.000 --> 00:20:07.000

So easy. So what do you see yeah so that's what I think we're gonna be doing from now? filling? We could just go and put that on the agenda, though we're gonna ask that ask if we can go

00:20:07.000 --> 00:20:25.000

to a an employment agency. employment part time temp, or and get somebody that's already been interviewed by them falls under their insurance.

00:20:25.000 --> 00:20:35.000

Probably I don't know I mean we have insurance true

00:20:35.000 --> 00:20:47.000

That would probably be the quickest way to do it I mean just hiring someone. that's gonna do the hiring for us.

00:20:47.000 --> 00:20:56.000

Kind of scary, I know, but they have already professed to be experts in that area.

00:20:56.000 --> 00:21:12.000

Yeah, okay, Well, I don't see that there's much else we can do. No, we can't even like we just even going over even going over the resumes and stuff like that.

00:21:12.000 --> 00:21:32.000

Like i'll see anybody that's actually qualified or anything yet the job description which is obsolete Now, because i'm sure the human relations person have their own.

00:21:32.000 --> 00:21:41.000

We do it? Well, they're all questions their only way of finding out

what the skills and knowledge of each person is.

00:21:41.000 --> 00:21:49.000

Probably less time consuming. Then you are I trying to do it? Yeah.

00:21:49.000 --> 00:21:54.000

All. Well, they did. They already know what they're looking for and what we would look for right?

00:21:54.000 --> 00:21:59.000

Yeah, I feel like we've already been burnt what 3 times alright.

00:21:59.000 --> 00:22:04.000

So in the meantime, what we can do is just start trying to get a picture of the Hr.

00:22:04.000 --> 00:22:09.000

Or agencies around us. to the Board hopefully.

00:22:09.000 --> 00:22:16.000

Tuesday. Well, yeah, and this is and we can submit it to Nicole so that she can present it.

00:22:16.000 --> 00:22:31.000

Okay, and we won't be able to speak to any baby. Yeah, Fortunately, Monday's a holiday. so no, we can just present our idea of it and see where that goes.

00:22:31.000 --> 00:22:46.000

And Then we could split up like you take a town i'll take a town, and we'll just start trying to find who's premier person that does human relations in that town and find out if they're willing

00:22:46.000 --> 00:23:01.000

to work a few hours for us, find the closest one Wouldn't it be great if we find somebody right away like find somebody in this?

00:23:01.000 --> 00:23:11.000

I have exactly the problem person you need. Yes, I know. So that would be, hey?

00:23:11.000 --> 00:23:18.000

I would hope so. I'm actually already kind of just giving a a search just in Lycas, or the kind of stuff they have.

00:23:18.000 --> 00:23:37.000

Okay, maybe even ridge crest and I know they're a little close, right? I believe they're closer by 10 min or so, when I make those trips.

00:23:37.000 --> 00:23:49.000

It seems so long i'm much. rather drive to lancaster I mean, we're probably gonna have to hire somebody that lives in one of those towns.

00:23:49.000 --> 00:23:56.000

Yes, gonna have to make that address yeah it's gonna have to make the drive.

00:23:56.000 --> 00:24:03.000

Maybe people out here are used to it. So I found a bunch in link after, though.

00:24:03.000 --> 00:24:27.000

Just so, you know. Okay, So that may be something and it's actually a staffing agency, you wanna leave an email and see if she gets back to us before Tuesday whoever that person is So I will call and just

00:24:27.000 --> 00:24:39.000

see what their protocol is. Basically, Yeah, I have express employment professionals, united staffing and annual value workforce center.

00:24:39.000 --> 00:24:46.000

So I will call them, and just get Maybe like the process Well, it's a step in the right direction.

00:24:46.000 --> 00:24:56.000

I mean we started this meeting with nothing I know I thought you know what we're going to this meeting. we'll be able to hire this lady like.

00:24:56.000 --> 00:25:01.000

No and it didn't work and that's okay yeah but I do agree.

00:25:01.000 --> 00:25:08.000

We still need an Hr. something somebody like that. Okay, alright.

00:25:08.000 --> 00:25:12.000

So anyways alright, there's nothing else we can do yet.

00:25:12.000 --> 00:25:17.000

But that does give us in the meantime more room for people to put in their resumes.

00:25:17.000 --> 00:25:33.000

Yes, and we didn't do a roll call and do we have need to do anything we're not voting on anything, and we're not like.

00:25:33.000 --> 00:25:43.000

There's not we're not voting on anything like that gonna be presenting just just discussing so.

00:25:43.000 --> 00:25:50.000

And actually she left directions in our email, and I go to it right now on how she exactly wanted it in.

00:25:50.000 --> 00:25:58.000

So let me go. Look, I could not find it I have everything for 2, so I still don't see it, by Link.

00:25:58.000 --> 00:26:03.000

She just sent it to me right now, but I don't see that anywhere else.

00:26:03.000 --> 00:26:14.000

Yeah, I couldn't find anything, and I started looking early this morning, cause I thought I might have to study something and remember something important.

00:26:14.000 --> 00:26:20.000

But hmm! Well, she was right there I did tell you she'd call me right.

00:26:20.000 --> 00:26:36.000

Oh, no, yes, when you said to me i'll get right back to you, I got I got our call from her okay, and she told me just for the computer that she's on it, and she would walk me through it.

00:26:36.000 --> 00:26:46.000

But already had my husband here helping me with it so perfect. I have to do it on his computer, and I swear every time I come to his computer.

00:26:46.000 --> 00:26:55.000

Everything I need is in a different place. you know i'm used to going to the bar on the top and just pick out what I need.

00:26:55.000 --> 00:27:01.000

This is never the same. It does say that report should be submitted to the Board.

00:27:01.000 --> 00:27:15.000

President. So if we have any written reports which i'll i'll write up something and just email it in which is the pledge call to order, and then our decision, Now, how we feel about hiring an ancient R or

00:27:15.000 --> 00:27:28.000

part time agency temp agency to help us recruit. the people that we're gonna need at this point, and we'd like to have it on the agenda for Tuesday okay So those will be my

00:27:28.000 --> 00:27:37.000

notes. Thank you, Ruby. Thank you very much. So yeah, we are done.

00:27:37.000 --> 00:27:43.000

Okay, Alright, Thank you. Thank you. Okay, How do we close it out?

00:27:43.000 --> 00:28:13.000

At whatever time it is, and we're looking at Janet by 22 alright.
