**FOR IMMEDIATE RELEASE**

## **Household Hazardous Waste Collection Events for April**

**KERN COUNTY, Calif.** – Kern County Public Works hosts monthly Household Hazardous Waste (HHW) Collection Events throughout the County. Residents can drive up and drop off their hazardous waste free of charge at any of these one-day collection events. HHW collection events are for residential hazardous waste only. Commercial or business waste is not accepted. Check out the schedule for these one-day collection events in April:

### **Saturday, April 23, 2022**

California City: 22636 Airport Way  
9 a.m. to 1 p.m.

Additionally, residential Household Hazardous Waste can always be dropped off at these permanent Kern County Special Waste Facilities (SWF):

### **Mojave SWF**

17035 Finnin Street, Building #2:

Open the first Saturday of every other month (Jan, March, May, Jul, Sept, Nov)  
9 a.m. to noon

When traveling with Household Hazardous Waste to any event or facility, it's important to practice safe transportation procedures. Please follow these safety guidelines:

- Transport no more than 15 gallons or 125 pounds of waste per trip, and no more than 5 gallons per single container.
- Make sure containers are not leaking and are properly labeled.
- Do not mix materials.
- Keep materials separated and away from passengers.

**What is Household Hazardous Waste?** Residential hazardous wastes are products, purchased for use in or around the home, that when improperly discarded, may threaten human health or the environment.

These products include: household cleaners, deodorizers, personal hygiene products, pesticides, batteries (home & auto), fluorescent bulbs, herbicides, insecticides, pet care products, paint products, photographic chemicals, swimming pool chemicals, and automotive products & fluids. Even though a product can be easily purchased at the local store, it can still be harmful to you, your family, and the environment.
